VENDORS WANTED!

The Minnesota Association of Women Police (MAWP) invites you to become a vendor at our Annual Conference. This is a great opportunity to network and share information about your product or service with law enforcement personnel, educators, administrative leaders, and the MAWP membership. You, your business or your organization may become involved by becoming a sponsor, and/or placing an advertisement in the conference program, or donating to our silent auction.

We have allocated vendor-specific time. We do our best to encourage our attendees to visit. This year we will have interactive blackout cards to promote contact with vendors.
